

Don't Give \$3 Billion to Amazon!

A petition to:

- Governor Cuomo • Mayor de Blasio • Majority Leader Stewart-Cousins • Speaker Heastie
- Speaker Johnson • Members of the Public Authorities Control Board

This is a bad deal for New Yorkers. Use our billions of tax dollars where they matter most, for public schools, affordable housing, NYCHA repairs, and subway signal upgrades, not to support the richest person and one of the richest companies in the world.
