

**ROBERT BARDIN** has been an active member of the Three Parks Club since 1988, when he first helped with the storefront effort to elect Michael Dukakis as President. Since then he has continued his efforts, volunteering as Club treasurer for a number of years and as a Board member, too. In the past few years he has also served as a Judicial Delegate, and he would welcome the chance to do that again if elected. He thanks you for your consideration and, hopefully, your vote!
