February 2022

Dear Three Parks Petitioner:

Thank you for joining the Three Parks Independent Democrats' 2022 petitioning effort. Petitioning is a necessary step in getting candidates on the ballot in New York. Your efforts gathering signatures are critical to the election effort of the candidates our club has endorsed.

This year we are petitioning for Three Parks endorsed candidates for Congress, State Senate, State Assembly, Democratic State Committee, Civil Court, Judicial Delegates and Democratic County Committee. All of these candidates need signatures to put them on the ballot for the June 28th Democratic Primary.

Please collect as many signatures as possible, especially from the Election District where you are a County Committee member if you are running for that position. Start gathering signatures right away because our candidates are counting on us to get on the ballot. The filing deadline is April 4th to 7th.

Here are some key points to remember:

1. Make sure the people you ask to sign are enrolled Democrats who live in the districts covered by the petition. The Civil Court district is all of Manhattan so signatures will always count for that candidate. Maps of the Congressional and State Senate districts are included in your envelope.
2. COUNTY COMMITTEE MEMBERS: The map on the cover of your packet identifies the district you will represent. You will have additional partners for your election district who will also be collecting signatures from Democrats who reside in that ED. Please try to collect at least 15-20 valid signatures yourself in order to qualify for the nomination.
3. **Do not fill in the statement of witness** at the bottom of the petition unless you are familiar with the process. You may complete it when you turn in the petitions.

The Completed petitions should be returned by March 31,2022. Return the completed petitions to District Leader Cynthia Doty (917-837-3776). Please call if you have any questions.

Thanks for all your help!

Cynthia Doty, District Leader 69AD Part A
