

Hello. Is this _____?

My name is _____ I'm with Three Parks Democrats and we are calling everyone involved with Three Parks. This is just a quick reminder about the 2020 Census.

Have you completed your census form?

IF NO:. It is really important. If not everybody is counted, the City and state could lose seats in Congress. We could lose billions of dollars in federal funds for things like hospitals, senior care, Medicaid, education, and more.

You can complete the form in a couple of minutes from the safety of your home.

- Go to my2020census.gov (numerous languages available)
- Call (844) 330-2020
- If you are currently away from the City, complete the form with your NYC address. NYC revenue and representation are dependent on an accurate NYC count.

The census asks for basic information about each person living at your address. The census does NOT ask about citizenship status or income, and it does NOT request social security numbers. All information is confidential and cannot be shared with any other entity.

IF YES: Great! Can you also remind your family, friends, and neighbors to do so too?

- Can you email them about the census and include the web page and phone number?
- Can you post information about the census on your social media pages and in the lobby of your building?

Thank you for your time, and for completing the census form. Our future depends on it.
