

Make Sure to Vote in the Presidential and Federal/State Primary on June 23

The Democratic Presidential Primary has been combined with the Democratic Congressional and State Primary on June 23. The ballot will be two pages long. Page 1 will list the Presidential candidates and then all the delegates, with the candidate to whom they are pledged listed to the right of each delegate's name. Voters can vote for up to any 7 of the delegates, regardless of the candidate to whom they are pledged. Page 2 will list the Congressional candidates (all four incumbent Manhattan Congress Members have challengers) and candidates for State Senate, Assembly, State Committee, and Judicial Delegates.

In the 69th AD, we have a primary only for Congress and the 31st Senate district.

Voters have three different ways to vote in this election: by Absentee Ballot, at an Early Voting poll site open

for nine days starting June 13 through June 21, or at a poll site on election day, June 23.

To find your poll site and to see a sample ballot, go to pollsitelocator.com.

To vote by Absentee Ballot, voters need to fill out an application requesting a ballot to be mailed to them at the address they specify. All eligible registered Democrats have been mailed an application, which they should fill out and return in the postage-paid envelope to 32 Broadway. Voters can also request an application at the Board of Elections website at vote.nyc. The site is very user friendly and reliable.

The deadline to request an Absentee Ballot application by mail, email or fax is June 16 (postmark date), and the deadline for applying in person is June 22.

The Absentee Ballots must be postmarked no later than June 22.

Remember to put the Absentee Ballot into the provided envelope and sign and date that envelope.

Whichever way you choose,
please remember to vote!
You can rest assured all
absentee ballots are
reviewed and if valid, are
counted and included in the
election results.
