

## **The Maine Postcard Campaign Continues Full Speed Ahead!**

With the start of early voting in Maine just a few weeks away, the Three Parks postcard-writing campaign is now in full swing. More than 100 Club members and friends have signed up to write postcards, more than 2300 postcards have been completed so far, and hundreds more are being written right now.

If you are not signed up already, you can join our postcard-writing efforts by clicking [here](#) or watch your email for further details. Postcard pick-up and drop-off takes place as follows:

**Next Postcard Pick-up  
and Drop-off  
Tuesday, Sept. 8  
4:00 – 6:30 PM  
(Mondays thereafter)**

## **Sidewalk Table at 103rd Street and Broadway**

The cards will be sent to voters in Maine to urge them to vote for Joe Biden for President and for Democratic senatorial candidate Sara Gideon. A victory for Gideon will be especially important because it would mean the ouster of the current Republican Sen. Susan Collins, who despite her reputation in some quarters as a moderate, has been a consistent Trump enabler. Electing Gideon would also help Democrats gain a Senate majority, which will be essential for passing any progressive legislation.

When you sign up to join this campaign, we will supply prepaid postcards, a script, and lists of names and addresses. These materials will all be available for easy curbside pick-up weekly at the location and times shown above. When you have

completed your cards, you can drop them off at our sidewalk table for mailing as election day approaches. Both pick-up and drop-off are carried out with full social distancing, use of face masks, and other precautions.
