

## Candidate for NYS Governor

Born and raised in Schenectady, **Antonio Delgado** is the son of working-class parents who taught him the value of hard work and standing up for others. He is a Colgate graduate, Rhodes Scholar, and Harvard Law alum.

Antonio was elected to Congress in 2018 to represent one of the most rural districts in the country, where he built a record of showing up everywhere and delivering results for working families. Appointed Lieutenant Governor in 2022 and later elected to a full term, he traveled across New York listening to communities too often ignored by Albany.

In 2025, Antonio launched his campaign for governor to be a voice for the people in Albany. That means taking on the cost-of-living crisis, taxing the ultra-wealthy, passing the New York Health Act, and getting ICE out of New York by passing NY for All. His campaign is focused on building an affordable New York that works for everyday people.

Antonio lives in Rhinebeck with his wife, Lacey, their twin sons, and their dog, Leroy.
