

Oscar Romero is running for New York's 13th Congressional District to stand up to Trump's fascism and to make public healthcare, housing, and education a right for all. He is currently the Chief Information Officer of the NYC Civic Engagement Commission and is a proud Mexican American who calls El Barrio home. As a NYC government public servant, Oscar has worked with more than half a million New Yorkers over the last seven years to co-design and implement projects to improve access to mental health services, protect tenants' rights, create workforce development programs for youth, and expand resources for immigrants across all five boroughs.
