

# 51<sup>st</sup> Annual Benefit

## Three Parks Independent Democrats

**Sunday, April 26th at The Ellington  
105th Street and Broadway  
4:00 to 6:00 PM**

In these increasingly perilous times, it is more crucial than ever to celebrate our history of championing progressive causes, speaking truth to power, and supporting Democratic leaders who fight back on behalf of our community.

This year, Three Parks will honor **Representative Jerry Nadler** with the Ted Weiss Public Service Award/Lifetime Achievement Award and **Los Deliveristas Unidos/Workers Justice Project**, an app-based delivery workers advocacy group, with the Cynthia Doty Community Service Award.

**To support Three Parks and have your name listed on the formal event invitation [click here](#), or to pay by check [click here](#). Sponsor opportunities begin at \$250.**

This year's Benefit will help Three Parks work to take back the House and Senate in 2026 and fight against the horrors emanating daily from Washington. We plan to phonebank, text, organize postcard campaigns, and canvass. We will continue advocating for the New York Health Act, the New York for All Act, the preservation of our community's zoning, and other urgent issues, including saving the climate from fossil fuel extraction.
