

Cynthia Doty
Female Democratic District Leader,
69th AD Part A

Cynthia Doty has been a true progressive leader for over 20 years on the Upper West Side, advocating tirelessly for all her neighbors. District Leader is a volunteer position that works to elect Democrats, help endorsed candidates petition and get on the ballot, assign election inspectors, oversee operations at the polls, and help get out the vote.

Cynthia's energy, dedication and integrity have been a major force in our neighborhood and community. She co-managed the Three Parks Independent Democrats and Broadway Democrats 2008 and 2012 Obama Storefront, where she organized volunteers to register voters, canvass in Pennsylvania and make over 35,000 calls to vote for President Obama. Cynthia previously staffed the storefronts for Bill Clinton, David Dinkins, Al Gore and John Kerry. She also helped organize the campaign storefront for Hillary Clinton and most recently supported the club campaign activities for the Biden/ Harris ticket.

Cynthia has campaigned on many issues including health care reform,

environmental justice, combatting climate change, protecting social security, immigration reform, racial justice, raising the minimum wage, preserving rent regulations and public housing, and protecting tenants' rights, and creating affordable housing and services for the homeless.

Cynthia fought for the historic 97th-110th Street contextual rezoning to limit building heights and preserve the area's affordable housing. Cynthia and District Leader Bob Botfeld led Three Parks and the community in a two-year campaign to get City Council to enact the new zoning regulations and its provisions for inclusionary housing. She was a founding member of Westsiders for Responsible Development and Coalition to Preserve Community and a driving force in the creation of the Manhattan Avenue and West End Avenue Historic Districts.

Cynthia has devoted many hours to organizing the grassroots activism that is the hallmark of Three Parks Independent Democrats, from rallying to keep a supermarket in the neighborhood when they were being pushed out by chain drug stores, to helping save small businesses like SUBA, a neighborhood independent

pharmacy, to fighting for workers' rights and fair wages.

Cynthia has been a past treasurer of the Interfaith Assembly on Homelessness and Housing, member of the board of the Institute for Community Living, the Neighborhood Advisory Board #7, the Bloomingdale Neighborhood History Group, and consultant for The Morningside Heights/West Harlem Sanitation Coalition. Currently she is the Vice President of the 24 Police Precinct Community Council and Chair of the W. 102-103 Streets Block Association.

For nine years Cynthia worked in Assembly Member Ed Sullivan's office as Legislative Associate and Special Assistant, solving problems for thousands of constituents. Currently she is the Deputy Chief Clerk of the Manhattan Board of Elections.
