## Reelect Democratic District Leaders Bob Botfeld and Cynthia Doty Send Gale Brewer and Dan Cohen to the City Council

Apt.

Dear Neighbors,

Our District Leaders **Bob Botfeld and Cynthia Doty** are up for reelection and need your vote. They with **Three Parks Independent Democrats** have been working tirelessly to elect progressive Democrats and advocate for our local community.

Here are some of the things that **Bob**, **Cynthia** and **Three Parks Democrats** have done:

- ♦ Neighborhood Presidential campaign centers, which, since 2004, have sent over 3,000 people to campaign in Pennsylvania and made 150,000 get-out-the-vote phone calls. In 2020, with trips impossible, the focus shifted to phone banks, postcard writing and campaigning outdoors.
- ♦ **Historic neighborhood down-zoning.** Thanks to this two-year campaign, new construction between 96<sup>th</sup> and 110<sup>th</sup> streets can't exceed 16 stories on Broadway, 10 on West End and Amsterdam, and six stories on the side streets.
- ◆ Neighborhood preservation. Bob and Cynthia advocated for the creation of the Manhattan Avenue and West End Avenue Historic Districts. They helped pass the West Side Retail Zoning bill to block big box stores and more banks.
- ◆ Progressive issues. Bob and Cynthia worked to preserve Social Security, end the Iraq war, support the New York Health (Single Payer) Act, ban fracking and close the Indian Point Nuclear Power Plant.

Bob and Cynthia have been endorsed by: Rep. Jerry Nadler, Sen. Robert Jackson, Sen. Brian Benjamin, Assembly Member Daniel O'Donnell, Council Member Mark Levine and Assembly Member Linda Rosenthal.

**Gale Brewer**, our Borough President, is term limited. She is running to regain her previous Council seat in District 6. Her leadership and experience will be invaluable as the Council will have two-thirds new members due to term limits. Gale has fought for better schools, park restoration, affordable housing and saner development. She helped to pass the Guaranteed Sick Days law and the Domestic Workers' Bill of Rights.

**Dan Cohen** a 50-year lifelong Upper Westsider, Democratic State Committee member and community activist is running for City Council District 7. Dan works for an affordable housing nonprofit and is committed to preserving rent regulation and public housing. He is a NYC public school graduate and NYC public-school parent serving on his son's school PTA. Dan understands the challenges of teachers and parents as well as students and is committed to fighting for the resources to make schools safe, supplied with the technology and staff needed or effective learning, and for smaller class sizes.
